

ANGLICAN DIOCESE
OF NEWCASTLE

MEDIA STATEMENT

18 March 2015

As the Bishop I am committed to the work of the Royal Commission. It is the once-in-a-generation opportunity to address past institutional abuse and build a safe culture in churches, government and non-government organisations.

The Diocese has cooperated fully in providing information to the Commission and will continue to do so.

I am committed to ensuring that cultures of entitlement and secrecy do not flourish and that children and vulnerable people can participate in church activities safely.
