## Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

### Report on the Audit of the Financial Report

### Opinion

We have audited the accompanying financial report, being a general purpose - simplified disclosure financial report of Manning Valley Anglican College (the School), which comprises the statement of financial position as at 31 December 2024, the statement of surplus or deficit and other comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Board Members' Declaration.

In our opinion, the accompanying financial report of the School is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

(i) giving a true and fair view of the School's financial position as at 31 December 2024 and of its financial performance for the year then ended; and

(ii) complying with *Australian Accounting Standards* - AASB 1060: *General Purpose Financial Statements - Simplified Disclosure* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the School in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Board Members of the School, would be in the same terms if given to the Board Members as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The Board Members are responsible for the other information. The other information obtained at the date of this auditor's report was limited to the Board Members' report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

## Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Board Members' Responsibility for the Financial Report

The Board Members of the School are responsible for the preparation of the financial report that gives a true and fair view in accordance with *Australian Accounting Standards* - AASB 1060: *General Purpose Financial Statements - Simplified Disclosures* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Board Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board Members are responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board Members either intend to liquidate the School or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board Members.

## Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

- Conclude on the appropriateness of the Board Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board Members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Notes to the Financial Statements
## For the Year Ended 31 December 2024

### 1 Material Accounting Policy Information

#### (a) Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012*. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Material accounting policies adopted in the preparation and presentation of these financial statements are provided below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been based on historical costs, except for the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### (b) Comparative figures

Where necessary, comparatives have been reclassified and repositioned for consistency with current year disclosures.

#### (c) Economic Dependence

The School is dependent on the Anglican Diocese of Newcastle for financial support necessary for its continued development. Without this or alternative support from other financial sources, the School's development would be restricted. At the date of this report, the Board Members have no reason to believe that the Anglican Diocese of Newcastle will not continue to support Manning Valley Anglican College.

#### (d) Critical accounting estimates and judgements

The Board Members evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the School.

**Key estimates - impairment**

The School assesses impairment at the end of the reporting year by evaluating conditions specific to the School that may be indicative of impairment triggers.

**Key judgements - Performance obligations under AASB 15**

To identify a performance obligation under AASB 15: *Revenue from Contracts with Customers*, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature, value, quantity and period of transfer related to the goods or services promised.

#### (f) Authorisation of Financial Statements

These financial statements were approved and authorised for issue by the Board Members on 28 May 2025.

### 2 Revenue

| | 2024 | 2023 |
|---|---|---|
| | $ | $ |
| **Revenue from contracts with customers** | | |
| - Student tuition and activity fees | **2,844,759** | 2,235,770 |

| **Total other revenue from ordinary activities** | **135,949** | 110,418 |
| **Total Revenue** | **17,005,648** | 14,416,686 |

**Education and activity based fees**

Education and activity based fees include student tuition and activity fees, preschool revenue and after school care.

Education and activity-based fees are recognised over the period to which the fees relate.

**Application and enrolment fees**

The School charges a non-refundable application fee at the time an application to enrol a student is received. This fee is payable in respect of the School's assessment of the enrolment application regardless of the outcome. The application fees are recognised as revenue at the time of receipt.

The School charges a non-refundable enrolment fee following approval of an application for enrolment. The enrolment fee does not represent a distinct performance obligation that can be separated from the future tuition services to be provided over the life of the student's enrolment at the School. Enrolment fee revenue is recognised over the expected life of the student's tuition at the School.

### 2 Revenue

**Commonwealth and State Per Capita Funding**

The School receives funding from the Commonwealth and State Governments on a per (capita) student basis. The funds are usually received in regular instalments in respect of the year of enrolment. Funding received is recognised as revenue progressively over the period of tuition to which the funding relates.

**Operating grants, donations and bequests**

When the School receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15: Revenue from Contracts with Customers. When both these conditions are satisfied, the School:

- Identifies each performance obligation relating to the grant, donation or bequest;

- Recognises a contract liability for its obligations under the agreement; and

- Recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the School:

- Recognises the revenue in accordance with the recognition requirements of other applicable Accounting Standards;

- Recognises related amounts; and

- Recognises income immediately in surplus or deficit as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the School recognises income in surplus or deficit when or as it satisfies its obligations under the contract.

**Capital grants**

When the School receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (such as lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer), recognised under other Australian Accounting Standards.

The School recognises income in surplus or deficit when the School satisfies the obligations under the terms of the grant.

### 2 Revenue

**Sale of goods**

Sale of goods includes sales of uniforms, equipment and merchandise, and sales from the School's canteen.

Revenue from the sale of goods is recognised when the product is delivered to the customer, as this is when the performance obligation has been satisfied.

**Interest income**

Interest income is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

### 3 Cash and Cash Equivalents

| | 2024 | 2023 |
|---|---|---|
| | $ | $ |
| Cash on hand | **200** | 246 |
| Cash at call | **2,794,841** | 6,238,148 |
| | **2,795,041** | 6,238,394 |

### 4 Trade and Other Receivables

| | | |
|---|---|---|
| School fees receivable - at amortised cost | **69,414** | 100,551 |
| Provision for doubtful receivables | **(28,917)** | (33,928) |
| | **40,497** | 66,623 |
| Other receivables - at amortised cost | **160,100** | (373) |
| | **200,597** | 66,250 |

**Reconciliation of changes in the provision for impairment of receivables is as follows:**

| | | |
|---|---|---|
| Opening impairment allowance | **(33,928)** | (42,766) |
| Amounts written off as uncollectible | **8,443** | 19,660 |
| Movement through provision for doubtful receivables | **(3,432)** | (10,822) |
| **Balance at end of the year** | **(28,917)** | (33,928) |

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Tuition fees are recognised quarterly and are payable by the end of the first week of each term.

### 4 Trade and Other Receivables

Collectibility of trade receivables are reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful debts is established on an expected credit loss - forward looking - basis for all trade receivables at amortised cost. The amount of the provision is the difference between the asset's carrying value amount and the present value of estimated future cash flows. The amount of the provision is recognised in the statement of surplus or deficit and other comprehensive income.

### 5 Property, Plant and Equipment

| | 2024 | 2023 |
|---|---|---|
| | $ | $ |
| **LAND AND BUILDINGS** | | |
| Land at cost | **332,853** | 332,853 |

| **Total property, plant and equipment** | **15,462,710** | 11,122,912 |

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Cost includes expenditure that is directly attributable to the asset.

**Depreciation**

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the School commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

### 5 Property, Plant and Equipment

#### Depreciation

The depreciation rates used for each class of depreciable assets are:

| Class of Fixed Asset | Depreciation Rate |
|---|---|
| Buildings | 2.5% |
| Plant and Equipment | 5% - 40% |
| Motor Vehicles | 7% - 20% |

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of surplus or deficit and other comprehensive income in the period in which they arise.

#### Movements in Carrying Amounts

Movement in the carrying amounts for each class of property, plant and equipment between the beginning and the end of the current financial year:

### (b) Interest rates

The interest rate on the Anglican Savings and Development Fund loan facility is variable, which is reviewed and updated quarterly. The interest rate is determined at the time of the loan draw down and is calculated by the Anglican Savings and Development Fund using their Business Reference Rate (ABRR). The ABRR is set at 90 day BBSY plus a margin on 3.5%. An additional credit risk margin of 1% to 1.5% (2023: 2.5%) is also applicable to some loans. The credit risk margin is subject to an annual review.

### (c) Maturity analysis

Any deposit not claimed within twelve months is deemed a gracious donation to the School and brought to account as revenue.

## 10 Contingent Liabilities and Contingent Assets

Capital grant funding has previously been provided by the Federal Government (Government) for the purpose of the construction of infrastructure appropriate to the provision of school services.
