Board Members' Report

31 December 2025

General Information

The financial affairs of Bishop Tyrrell Anglican College are included in this financial report.

The Newcastle Anglican Church Corporation (NACC) was established on 5 October 2017 as a Standing Committee of the Diocesan Council pursuant to the Diocesan Council Ordinance 1929 (amended February 2018). Effective from 1 October 2020 the NACC was renamed the Newcastle Anglican Corporation (NAC) pursuant to the Diocesan Council Ordinance 1929 (amended February 2018). The NAC was provided with full delegation of the Diocesan Council to oversee the operations of the Newcastle Anglican Schools.

The Newcastle Anglican Governance Reform Ordinance 2017 (Governance Reform Ordinance) authorises that effective from 1 October 2020 the Board Members of the Newcastle Anglican Corporation (NAC), are also the Board members of the Newcastle Anglican Schools Corporation (NASC) and Bishop Tyrrell Anglican College.

The NASC provides administrative support services to Bishop Tyrrell Anglican College and three other Diocesan Schools.

Principal activities

The principal activity of Bishop Tyrrell Anglican College during the financial year was to engage students in their learning through exceptional teaching in a culture of student growth, attainment and wellbeing. This was done in conjunction with the spiritual alignment of the Christian Faith. There have been no significant changes to the nature of the Schools activities during the financial year.

Short and long term objectives

All schools within the Newcastle Anglican Schools Corporation believe in providing affordable, quality education with a Christian ethos in the Anglican tradition. Therefore, all Diocesan schools are low-fee centres of excellence with a strong focus on pastoral care, Christian values and the Christian Religious Education curriculum, academic and sporting achievements and multi-faceted curricular activities.

Operating Results and Review of Operations for the Year

Operating Results

The surplus of the entity for the 2025 year amounted to \$1,695,505 (2024 surplus of \$432,165).

Review of Operations

Throughout 2025 the school maintained stable enrolment levels, reflecting a consolidated student population and strong retention within the school community. This period of stability enabled the school to focus on the careful consolidation and optimisation of existing educational and wellbeing initiatives, ensuring they continued to deliver value and support student outcomes without introducing additional cost pressures.

In response to stable enrolments, staffing levels were intentionally maintained with no material growth. A thorough review of workforce structures was undertaken to confirm alignment with current enrolment demand, ensuring the school remained appropriately resourced while exercising prudence in staffing and salary expenditure. This approach supported operational sustainability and reinforced the school's commitment to responsible workforce planning.

Core operating costs, including depreciation, maintenance, financing and administrative expenses, were subject to ongoing review and remained consistent with budget expectations and prior years. Cost control remained disciplined throughout the year, reflecting a continued focus on financial sustainability, efficient resource utilisation, and sound stewardship in a stable operating environment.

Other items

Significant changes in state of affairs

There have been no significant changes in the state of affairs of the School during the year.

Events after the reporting date

There are no matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of Bishop Tyrrell Anglican College, the results of those operations or the state of affairs of Bishop Tyrrell Anglican College in future years.

Future developments and results

Likely developments in the operations of the School and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the School.

Environmental issues

The School's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a general purpose - simplified disclosure financial report of Bishop Tyrrell Anglican College (the School), which comprises the statement of financial position as at 31 December 2025, the statement of surplus or deficit and other comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Board Members' Declaration.

In our opinion, the accompanying financial report of the School is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the School's financial position as at 31 December 2025 and of its financial performance for the year then ended; and
- (ii) complying with *Australian Accounting Standards - AASB 1060: General Purpose Financial Statements - Simplified Disclosure* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the School in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Board Members of the School, would be in the same terms if given to the Board Members as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board Members are responsible for the other information. The other information obtained at the date of this auditor's report was limited to the Board Members' report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Bishop Tyrrell Anglican College

ABN 99 268 572 029

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Board Members' Responsibility for the Financial Report

The Board Members of the School are responsible for the preparation of the financial report that gives a true and fair view in accordance with *Australian Accounting Standards - AASB 1060: General Purpose Financial Statements - Simplified Disclosures* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Board Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board Members are responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board Members either intend to liquidate the School or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board Members.

Bishop Tyrrell Anglican College

ABN 99 268 572 029

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

- Conclude on the appropriateness of the Board Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board Members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the Financial Statements For the Year Ended 31 December 2025

1 Material Accounting Policy Information

(a) Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012*. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Material accounting policies adopted in the preparation and presentation of these financial statements are provided below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been based on historical costs, except for the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

(b) Comparative figures

Where necessary, comparatives have been reclassified and repositioned for consistency with current year disclosures.

(c) Economic dependence

The School is dependent on the Anglican Diocese of Newcastle for financial support necessary for its continued development. Without this or alternative support from other financial sources, the School's development would be restricted. At the date of this report, the Board Members have no reason to believe that the Anglican Diocese of Newcastle will not continue to support Bishop Tyrrell Anglican College.

(d) Critical accounting estimates and judgements

The Board Members evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the School.

Key estimates - Impairment

The School assesses impairment at the end of the reporting year by evaluating conditions specific to the School that may be indicative of impairment triggers.

Key judgements - Performance obligations under AASB 15

To identify a performance obligation under AASB 15: *Revenue from Contracts with Customers*, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature, value, quantity and period of transfer related to the goods or services promised.

Education and activity based fees

Education and activity based fees include student tuition and activity fees, preschool revenue and after school care.

Education and activity based fees are recognised over the period to which the fees relate.

Application and enrolment fees

The School charges a non-refundable application fee at the time an application to enrol a student is received. This fee is payable in respect of the School's assessment of the enrolment application regardless of the outcome. The application fees are recognised as revenue at the time of receipt.

2 Revenue

Application and enrolment fees

The School charges a non-refundable enrolment fee following approval of an application for enrolment. The enrolment fee does not represent a distinct performance obligation that can be separated from the future tuition services to be provided over the life of the student's enrolment at the School. Enrolment fee revenue is recognised over the expected life of the student's tuition at the School.

Application and enrolment fee revenue is included within student tuition and activity fees revenue.

Commonwealth and State Per Capita Funding

The School receives funding from the Commonwealth and State Governments on a per (capita) student basis. The funds are usually received in regular instalments in respect of the year of enrolment. Funding received is recognised as revenue progressively over the period of tuition to which the funding relates.

Other Grants

Grant revenue is recognised in the statement of surplus or deficit when the School satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the School is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

Capital grants

When the School receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (such as lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer), recognised under other Australian Accounting Standards.

The School recognises income in surplus or deficit when the School satisfies the obligations under the terms of the grant.

Sale of goods

Sale of goods includes sales of uniforms, equipment and merchandise, and sales from the School's canteen.

Revenue from the sale of goods is recognised when the product is delivered to the customer, as this is when the performance obligation has been satisfied.

Interest income

Interest income is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other receivables	20,714	65,795
	<u>290,314</u>	<u>333,756</u>

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Tuition fees are recognised quarterly and are payable by the end of the first week of each term.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectable are written off. A provision for doubtful debts is established on an expected credit loss - forward looking - basis for all trade receivables at amortised cost. The amount of the provision is the difference between the asset's carrying value amount and the present value of estimated future cash flows. The movement of the provision is recognised in the statement of surplus or deficit and other comprehensive income.

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Cost includes expenditure that is directly attributable to the asset.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the School commencing from the time the asset is held ready for use.

5 Property, Plant and Equipment

Depreciation

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5% - 8.33%
Plant and Equipment	2.5% - 40%
Motor Vehicles	12.5%

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of surplus or deficit and other comprehensive income in the period in which they arise.

Movements in Carrying Amounts

(a) Security

In 2021, the School obtained new loan funding through a related party, the Anglican Savings and Development Fund. This loan facility is unsecured per the loan agreement. No changes have occurred in funding agreement terms or conditions in the current year.

(b) Interest rates

The interest rate on the Anglican Savings and Development Fund loan facility is variable, which is reviewed and updated quarterly. The interest rate is determined at the time of the loan draw down and is calculated by the Anglican Savings and Development Fund using their Business Reference Rate (ABRR). The ABRR is set at 90 day BBSY plus a margin of 3.5%. An additional credit risk margin of 1% is also applicable on some loans. The credit risk margin is subject to an annual review.

Enrolment deposits

When a student enrolls with the School, a refundable deposit is payable to the School. This is held as a current liability. The deposit is refundable upon written application within twelve months of the student leaving the School. Any deposit not claimed within twelve months is deemed a gracious donation to the School and brought to account as revenue.

10 Contingent Liabilities and Contingent Assets

(a) Capital Grant Funding

Capital grant funding has previously been provided by the Federal Government (Government) for the purpose of the construction of infrastructure appropriate to the provision of school services. Guidelines issued by the Government provide that capital grant funding would only be repaid should the grant no longer be used effectively for the purposes for which it was provided within the specified period. The amount of the related contingent liability at 31 December 2025 was \$1,366,250 (2024: \$1,660,500).
