Board Members' Report

31 December 2025

General Information

The financial affairs of the Anglican Diocese of Newcastle, including the Episcopate, Professional Standards Committee, Diocesan Office and Diocesan Ministry Council are included in this financial report.

The Newcastle Anglican Church Corporation (NACC) was established on 1 October 2017 as a Standing Committee of the Diocesan Council pursuant to the Diocesan Council Ordinance 1929 (amended February 2018) and has the full delegation of the Diocesan Council to operate the Anglican Diocese of Newcastle General Fund and Budget Account (the General Fund) in accordance with the relevant trusts and approved budget.

On 1 October 2020 the NACC was renamed the Newcastle Anglican Corporation (NAC) pursuant to the Diocesan Council Newcastle Anglican Church Corporations Ordinance 2017 Governance Amendment Ordinance 2020. The NAC retains full delegation of the Diocesan Council as detailed above.

The General Fund is not a separate corporate body established under the Anglican Church of Australia Trust Property Act 1917. For the purposes of the preparation of these financial statements it is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Information on Board Members

The Newcastle Anglican Governance Reform Ordinance 2017 (Governance Reform Ordinance) authorises that the Board Members of the NAC and previously the NACC, are also the Trustees of the corporate entity Trustees of Church Property for the Diocese of Newcastle and Board Members of the Anglican Savings and Development Fund - Diocese of Newcastle.

The names, qualifications, experience and special responsibilities of each person who has been a Board Member of the NAC and the NACC during the year and to the date of this report are:

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of The Anglican Diocese of Newcastle General Fund and Budget Account (the General Fund), which comprises the statement of financial position as at 31 December 2025, the statement of surplus or deficit and other comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Board Members' declaration.

In our opinion, the accompanying financial report of the General Fund is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the General Fund's financial position as at 31 December 2025 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the General Fund in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Board Members, would be in the same terms if given to the Board Members as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Basis of Accounting and Restriction on Use

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the financial reporting responsibilities under the ordinances of the Anglican Diocese of Newcastle and the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose.

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

Our report is intended solely for the Synod of the Anglican Diocese of Newcastle and should not be used by parties other than Synod of the Anglican Diocese of Newcastle. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The Board Members are responsible for the other information. The other information obtained at the date of this auditor's report was limited to the Board Members' Report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Board Members' Responsibility for the Financial Report

The Board Members are responsible for the preparation of the special purpose financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 of the financial statements is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Regulations 2022*, the *Australian Charities and Not-for-profits Commission Act 2012* and the Synod of the Anglican Diocese of Newcastle. The Board Members' responsibility also includes such internal control as the Board Members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, the Board Members are responsible for assessing General Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board Members either intend to liquidate General Fund or to cease operations, or have no realistic alternative but to do so.

The Board Members are responsible for overseeing General Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

The Anglican Diocese of Newcastle General Fund and Budget Account

ABN 66 773 701 473

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of General Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board Members.
- Conclude on the appropriateness of the Board Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on General Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause General Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Independent Audit Report to the Synod of the Anglican Diocese of Newcastle

We communicate with the Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide the Board Members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Board Members' Declaration

The Board Members have determined that the General Fund is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements and the *Australian Charities and Not-for-profits Commission Act 2012*.

The Board declares that:

1. The financial statements and notes, as set out on pages 13 to 34, are in accordance with the accounting policies as described in Note 1 and the *Australian Charities and Not-for-profits Commission Act 2012*; and present fairly, in all material respects, the General Fund's financial position as at 31 December 2025 and its performance for the year ended on that date.
2. In the Board Members' opinion, there are reasonable grounds to believe that the General Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board made pursuant to s.60.15 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Notes to the Financial Statements For the Year Ended 31 December 2025

1 Material Accounting Policy Information

(a) Basis of preparation

The General Fund is not a separate corporate body established under the Anglican Church of Australia Trust Property Act 1917 (NSW) for the Anglican Church of Australia (Body Corporate) Act 1938. For the purposes of the preparation of these financial statements it is considered to be a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial affairs of the Anglican Diocese of Newcastle are reported in the financial statements of this entity.

The Board has prepared the financial statements on the basis that the General Fund is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the reporting requirements of the Synod of the Anglican Diocese of Newcastle.

The financial statements have been prepared in accordance with the material accounting policy information disclosed below, which the Board has determined are appropriate to meet the needs of the Synod of the Anglican Diocese of Newcastle. Such accounting policies are consistent with the previous period unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in notes.

(b) Comparative figures

Where necessary comparatives have been reclassified and repositioned for consistency with current year disclosures.

(c) Critical accounting estimates and judgements

The preparation of financial statements in conformity with accounting policies adopted requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the General Fund's accounting policies.

Key estimates - Impairment

The General Fund assesses impairment at the end of the reporting year by evaluating conditions specific to the General Fund that may be indicative of impairment triggers.

Key judgements – Performance obligations under AASB 15

To identify a performance obligation under AASB 15: *Revenue from Contracts with Customers*, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature, value, quantity and period of transfer related to the goods or services promised.

1 Material Accounting Policy Information

(d) Income tax

The General Fund is exempt from income tax under section 50-5 of the *Income Tax Assessment Act 1997*.

(e) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of any applicable GST.

(f) Impairment of non-financial assets

At the end of each reporting period, the General Fund assesses whether there is any indication that an asset may be impaired. The assessment will include the consideration of external and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use to the asset's carrying value.

Assets that have an allocated impairment loss are reviewed for reversal indicators at the end of each reporting period. After recognition of an impairment loss, the amortisation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount on a systematic basis over its remaining useful life.

Impairment losses are recognised as an expense immediately.

(g) Provisions

Provisions are recognised when the General Fund has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(h) Leases

The General Fund as lessee

The General Fund remits lease payments for property to a related party. The lease contract is not considered enforceable as the lessee and lessor each has the right to terminate the lease without permission from the other party with no more than an insignificant penalty. Therefore a right of use asset and lease liability have not been recognised.

Lease payments are expensed over the term of the specific lease.

Total other income	2,907,098	2,757,317
Total revenue and other income	6,092,428	5,764,919

Operating grants, contributions, donations and bequests

When the General Fund receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15: *Revenue from Contracts with Customers*.

When both of these conditions are satisfied, the General Fund:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the General Fund:

- recognises the asset received in accordance with the recognition requirements of other applicable Accounting Standards;
- recognises related amounts; and
- recognises income immediately in the statement of surplus or deficit and other comprehensive income as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the General Fund recognises income in the statement of surplus or deficit and other comprehensive income when or as it satisfies its obligations under the contract.

2 Revenue

Interest income

Interest income is recognised using the effective interest rate method.

The effective interest rate method is a method of calculating the amortised cost of a financial asset and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset. When calculating the effective interest rate, the General Fund estimates cash flows considering all contractual terms of the financial instrument (for example, repayment options) but does not consider future credit losses.

Once a financial asset or a group of similar financial assets has been written down as a result of an impairment loss, interest income is recognised using the rate of interest used to discount the future cash flows for the purpose of measuring impairment loss.

Endowment Fund and Bequest revenue

Endowment Fund and Bequest revenue to which the General Fund is the recipient is recorded as revenue when received.

Distributions received in accordance with Property Sales Ordinances

Distributions are recognised following settlement of property sales and in accordance with the determination of the Diocesan Council.

All revenue is stated net of the amount of goods and services tax.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectable are written off. A provision for doubtful debts is established on an expected credit loss – forward looking – basis for all trade receivables at amortised cost. The amount of the provision is the difference between the asset's carrying value amount and the present value of estimated future cash flows. The amount of the provision is recognised in the statement of surplus or deficit and other comprehensive income.

	\$	\$
NON-CURRENT		
Endowment Funds at fair value	7(b) <u>29,615,886</u>	<u>28,521,697</u>

(a) Investments and other financial assets

Financial instruments are classified into two broad measurement categories: those measured as at fair value and those measured at amortised cost. The determination is made at initial recognition.

The classification depends on the contractual cash flow characteristics of the instrument.

Classification and measurement

All financial instruments (assets and liabilities) are initially recognised at fair value plus, in the case of financial assets and liabilities not classified as at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial instruments are then classified into one of the following categories, which in turn determines the subsequent accounting measurement of the instrument. The categories and measurement treatments are:

(i) Debt Securities – at amortised cost

A debt security is classified as at amortised cost only if both of the following criteria are met:

- the asset is held within a business model with the objective to collect the contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

The nature of any derivatives embedded in the debt security are considered in determining whether the cash flows of the investment are solely payment of principal and interest on the principal outstanding and are not accounted for separately.

A gain or loss on a debt security that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in surplus or deficit when the financial asset is derecognised or impaired and through the amortisation process using the effective interest rate method.

At balance date all debt securities in the form of Term Deposits or Floating Rate Notes were measured at amortised cost.

The Anglican Diocese of Newcastle General Fund and Budget Account

ABN 66 773 701 473

Notes to the Financial Statements For the Year Ended 31 December 2025

7 Financial Assets

(a) Investments and other financial assets

(ii) Endowment Funds

Endowment Funds represent financial assets held in a pooled investment portfolio which are invested in equities, hybrid securities and debt securities by Trustees of Church Property for the Diocese of Newcastle (Refer to note 8a).

The pooled investment portfolio is subsequently measured at fair value and any movements in the fair value of the Endowment Funds are reported through other comprehensive income as they are not expected to be realised within 12 months after the end of the reporting period.

Endowment Funds capital is intended to be held in perpetuity in accordance with the establishing trust documentation as varied from time to time. Any redemptions of capital require the approval of Diocesan Council. Accordingly the value of the Endowment Funds are reflected as a separate component of equity as control of the funds is ultimately vested in the Synod or its delegate, the Diocesan Council.

Impairment of financial assets

At the end of the reporting period the General Fund assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

(i) Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial asset's original effective interest rate.

(ii) Loans and receivables

Impairment of financial assets is recognised on an expected credit loss – forward looking – basis for all financial assets measured at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Management consider reasonable and supportable information that is relevant and available, including both quantitative and qualitative information and analysis based on the General Fund's historical experience and informed credit assessment, including forward looking information.

Credit losses are measured as the present value of the difference between the cash flows due to the General Fund in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

(b) Endowment Funds

The Endowment Funds are trust funds invested by Trustees of Church Property for the Diocese of Newcastle on a pooled basis in commercial and residential properties and a range of financial investment products. The Endowment Funds invested by the Trustees of Church Property for the Diocese of Newcastle are reported as non-current assets, the Board recognises that Synod, or its delegate the Diocesan Council, has authority to, and may resolve to, liquidate the financial assets to fund current liabilities. Together with cash flows generated from operating activities, the ability to liquidate the non-current financial assets is critical to the overall liquidity management strategies of the General Fund. The Board acknowledge and support the past and current practice of the Trustees of Church Property to seek the best possible long term returns on the Endowment Funds by investing in a level of non-cash assets which provide for a mixture of growth and income.

Depreciation

The depreciable amount of all fixed assets, is depreciated on a straight-line basis over the asset's useful life to the General Fund commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Plant and equipment	10-33% PC
Computer equipment and software	14-33% PC
Motor vehicles	20% PC

The assets' residual values, depreciation methods and useful lives are reviewed, and adjusted if necessary, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of surplus or deficit and other comprehensive income.

15 Financial Risk Management

In accordance with the Newcastle Anglican Church Corporation Ordinance 2017, the NACC was incorporated on 1 October 2017. On 1 October 2020 the NACC was renamed the Newcastle Anglican Corporation (NAC) pursuant to the Diocesan Council Newcastle Anglican Church Corporations Ordinance 2017 Governance Amendment Ordinance 2020.

The role of the NAC is to oversee the temporal, financial, business and administrative affairs of the Diocese. The NAC Board is accountable to the Diocesan Council and the Diocesan Synod. The Diocesan Council has delegated to the NAC Board the primary responsibility for these aspects of Diocesan life. It has also delegated to the NAC Board the primary responsibility for advising the Bishop and the Diocesan Council about these affairs as well as the strategic, financial and risk matters of the Body Corporates of the Diocese.

The NAC Board is also the Board of the Trust Corporation (the Trustees of Church Property for the Diocese of Newcastle), the Diocese's Religious Charitable Development Fund (the Anglican Savings and Development Fund), the Samaritans Foundation, Anglican Care and the Newcastle Anglican Schools Corporation.

The NAC Board has formed the Audit and Risk Committee and the Finance, Budget and Investment Committee whose responsibilities include risk management and financial oversight. The Committees discharge their responsibilities through risk assessment procedures, policy setting, monitoring of controls and monitoring of financial performance. The Committees report to the NAC Board about their activities and recommendations.

The main risks the General Fund is exposed to, through its financial instruments, are liquidity risk and market risk consisting of interest rate risk and price volatility risk. The General Fund's financial instruments consist of cash deposits, investments in Endowment Funds managed by the Trustees of Church Property for the Diocese of Newcastle, borrowings, accounts receivable, and payables.

Market Risk

(i) Interest rate risk

The General Fund is exposed to interest rate fluctuations on its cash holdings and the distributions from its Endowment Fund investments. The Finance, Budget and Investment Committee monitors interest rates and provides regular updates to the NAC Board via financial reports prepared by management and external investment advisors.

(ii) Price volatility risk

Endowment Funds are invested in a range of financial products by the Trustees of Church Property for the Diocese of Newcastle. The General Fund through its investment in Endowment Funds is exposed to fair value movements in the market price of the underlying investments.

The NAC Board, with advice from the Finance, Budget and Investment Committee, is responsible for setting the investment policy for the Trustees of Church Property for the Diocese of Newcastle. Risk is managed through diversification of investments classes and industries.

(iii) Net fair values

Carrying amounts of financial assets and liabilities recorded in the financial statements represent their net fair values, as determined in accordance with the accounting policies described in Note 1 to the financial statements.

15 Financial Risk Management

Liquidity risk

Liquidity risk arises from the possibility that the General Fund might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The NAC Board, with advice from the Finance, Budget and Investment Committee, manages this risk through the following budgeting and financial planning activities:

- development of annual operating budgets;
- monitoring financial performance and working capital requirements;
- development of long-range financial goals along with funding strategies to achieve them; and
- development of multi-year operating budgets that integrate strategic plan objectives and initiatives.

Credit risk

Credit risk is limited to trade and other receivables and is managed through a collection policy based on the amount, ageing and circumstances related to the outstanding amounts.

The General Fund does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into apart from investments managed by related parties.

16 Related Parties

The General Fund's main related parties are as follows:

(a) Key Management Personnel of the Group

In relation to AASB 124 – Related Party Disclosures, the Board has determined that key management personnel are the Bishop, the Assistant Bishops, those holding executive positions in the Diocesan Office and Board Members. These positions have been identified as having authority and responsibility for planning, directing and controlling activities of the Diocese and directly or indirectly impacting the activities of Newcastle Anglican Corporation, the Samaritans Foundation, Anglican Care, the Newcastle Anglican Schools Corporation, the Trustees of Church Property for the Diocese of Newcastle and/or the Anglican Savings and Development Fund.

The Assistant Bishop is provided with clergy housing which is vested in and managed directly by the Board and for which rental is paid by the General Fund.

16 Related Parties

(a) Key Management Personnel of the Group

The Diocese has established a Shared Services function aimed at providing consistent and efficient administrative support capability to all of the operations and agencies within the Diocese. The majority of the administrative staff formerly employed by the Diocese were transferred into the employment of Anglican Care and the Samaritans Foundation during the 2022 year. The costs associated with the provision of administrative and support services to the other agencies and Diocesan operations is recovered via a charge based on the actual services provided. These charges are disclosed as Diocesan Corporate Shared Services in the Statement of Surplus or Deficit and Other Comprehensive Income and also disclosed below in the Related Party Transactions.

17 Contingent Liabilities

The Newcastle Anglican Church Redress Corporation Guarantee Ordinance 2018 has been established to irrevocably and unconditionally guarantee the Newcastle Anglican Church Redress Corporation the punctual payment of monies due and necessary to meet all expenses associated with the operations of the Redress Corporation to conform with the entity's obligations as set out in the Newcastle Anglican Church Redress Corporation Ordinance 2018.

The Diocesan Council irrevocably and unconditionally agree to indemnify the Redress Corporation, (including its directors and officers), and at all times to keep the Redress Corporation indemnified against any loss or damage suffered by the Redress Corporation arising out of, or in connection with, its operations. In the event that this guarantee should be called upon it may be necessary for the General Fund to realise its Endowment Fund investments to make sufficient funds available.

18 Events occurring after the end of the Reporting Period

The financial assets (Endowment Funds) are invested by the Trustees of Church Property in property and a range of financial products and reported at fair value. The value of the net assets held by the Endowment Fund as at 31 March 2026 decreased by approximately \$1,144,686 or 3.86%. There has been no further movement in financial markets to the date of signing of these financial statements.

Except for the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the General Fund, the results of those operations or the state of affairs of the General Fund in future financial years.
